TEACHER TESTIMONIALS

“All the topics were interesting, age-appropriate, and relevant to what we were studying at the time. I loved that the students got the opportunity to get hands-on with their learning.” -3rd Grade Teacher

“The field trip was excellent! The staff was very friendly, engaging, and knowledgeable. The entire trip was extremely organized and very hands on!” – 2nd Grade Teacher

FIELD TRIPS EVERY THURSDAY AND FRIDAY FROM 10 AM – 1 PM, OCT. – NOV. & APR. – JUNE

FIELD TRIP OVERVIEW

...

Arcadia Farm Field Trips are designed to connect students to where their food comes from, to develop critical skills, and meet age-appropriate curriculum standards.

Arcadia Farm is a sustainable farm located at Woodlawn, a National Trust Historic Site in Alexandria, VA. The farm includes the Groundhog Garden, a half-acre space designed specifically for youth education. At Arcadia Farm, students learn:

- **How to grow food sustainably with the natural cycles of the earth**
- **Which fruits and vegetables are available in our region during different times of the year**
- **That fruits and vegetables are healthy and delicious!**

FIELD TRIP SCHEDULE

...

At Arcadia Farm, students are farmers for the day! We begin with an introduction to sustainable food systems and a Scavenger Hunt. Students then rotate through the following interactive stations in small groups:

- **Incredible Edible Plants**
- **Pests and Pollination**
 - **Superb Soil**
 - **Funky Chicken**
 - **Taste Sensation**

Groups will eat lunch on the farm. Bring your own bagged lunches and we will provide water and picnic tables. Food prepared at the Taste Sensation station will be served from our on-farm salad bar to accompany your lunch.
